

BKK to Pattaya.

Your arrival checklist.

Prepare these details before you fly. Keep a copy available offline.

☐ **Check the airport and arrival date.**

BKK is Suvarnabhumi. DMK is Don Mueang. Use the flight arrival date and local time in Thailand, not the departure date.

☐ **Send the flight and exact destination.**

Share your flight number and scheduled arrival. Get the full Pattaya address and check-in access instructions from your host.

☐ **Count people and bags together.**

Give passenger count, bag sizes, stroller or other large items. Request suitable child seating before choosing the vehicle.

☐ **Agree the full price and waiting rules.**

Confirm inclusions, extras, waiting start, allowance and flight change policy. Keep the cancellation terms and final offer.

☐ **Save the pickup and contact instructions.**

Keep the agreed meeting location and provider contact offline. Ask what to do if your phone cannot connect or the driver is not visible.

☐ **Know what confirms your ride.**

An email signup or inquiry is not a booking. Rely on the provider's booking confirmation and the terms accepted for your actual trip.
